## Designer Rugs

Designer Rugs is Australasia's leading rug company specialising in handmade custom rugs for residential and commercial interiors, as well as its ready-made rugs and internationally renowned designer collections.

For over thirty years Designer Rugs have complimented the aesthetics of residential homes and commercial spaces throughout the world with rugs of exceptional quality and unique designs.

By working in collaboration with leading Australian artists and designers, this innovative and design focused company has earned an outstanding reputation for producing custom made rugs for private clients and commercial professionals alike.

Designer Rugs also provides customers looking for ready made rugs with affordable and creative collections of hand made rugs in a wide variety of styles, influences and sizes.

## Carpet By Designer Rugs

Luxurious, high quality and extremely versatile, we carry in stock a range of Axminster carpet designs from Greg Natale and MR Carpet. We can also create repeating carpet designs from our exclusive designer rug collections, or we can design something bespoke especially for your project.

Carpet by Designer Rugs can already be found in prestigious hotel, health care and government projects, as well as some of the world's most beautiful homes.

Our plush Axminster carpet can elevate any space to a luxurious new level. Designer Rugs are well known for the ability to custom design to perfectly suit the palette and vision of any project, and our carpet is no exception.

### TECHNICAL SPECIFIC ATIONS

Yves by Greg Natale
