The Bloomingdales Collection celebrates boldness, innovation and dynamic design.

New design directions are an ongoing feature of our range, and live alongside timeless Bloomingdales' favourites.

And now we're proud to add hand-forged bronze sculpture and bronze-with-timber furniture pieces to our range.

DenFair 2018 marks the launch of the exclusive Platform International range of bronzes, to the Australian and N.Z. designer market.

Drawing inspiration from across the globe, our current collection also includes a distinctly homegrown, Australian edge. We are pleased to offer customers a range of products that are uniquely Bloomingdales', and that hold their own with the very best in global design.
