Pelle Leathers Outback, Vienna, Savannah, Ascona & Saddle

At Pelle Leathers quality and service are paramount. We are partnered with Europe's leading tanneries in Germany and Italy to offer 20 superior leather ranges in a wide palette of colours Utilising the latest technology, our partners only use the finest European raw material enabling us to bring you superior larger hides with a higher thickness; providing higher quality and yield as well as greater stability on public seating.

We are the only leather company in Australia / NZ to have eco-labelled leather having achieved GreenTag certification GreenRate level B.

TECHNICAL SPECIFICATIONS

Outback

A Nubuck leather 1.4-1.6MM produced on European hides in a range of 11 natural earth tones. It's soft, velvety suede like hand gives the leather a classic, luxurious appearance. Outback has had a protective agent applied during the tanning process to resist spillages and staining. Average hide size is 5.60 Sqm

Vienna

A full grain true Semi Aniline leather, is 1.0-1.2mm that exhibits the natural characteristics and variations of leather. It is evenly coloured and protected for light fastness and durability. Vienna Is Global GreenTag verified Level B and available in a range of 111 colours. Average hide size is 5.70 Sqm

Savannah

A full grain Semi – Aniline leather 1.4-1.6MM produced in Germany on South German hides that exhibits the natural characteristics and variations of leather. Available in a selection of 25 contemporary yet earth tone colours. Average hide size 5.70Sqm

Ascona

A pure Aniline leather 1.0-1.2MM, produced on European hides with a contemporary, rustic appearance. This is enhanced with age and wear to exhibit a beautiful patina. Now in 17 sophisticated colours from our Sydney warehouse. Average hide size: 5.0 Sqm

Saddle

A range of leather in a wide range of 19 colours with a thickness of 3.0-3.5mm produced on European shoulders that have been tanned using plant based products/extracts. Average shoulder size is 1.4 Sqm. Custom thickness is available also.
